12th Step volunteers are needed to help carry the message to alcoholics who are still suffering. Service is a major part of what keeps us sober, so if you have at least 2 years of continuous sobriety and have worked the steps thoroughly, please consider signing on as a 12th Step Call List Volunteer. As a volunteer, you will provide your phone number and answer the phone when a suffering alcoholic reaches out for help. Your number will go into a pool. One pool for female callers and another for male callers. When a call comes in, it will go out to everyone in the pool until a volunteer answers, at which time, the other phones in the pool will disconnect from the call. This is not a long term commitment (unless you want it to be). Your phone should not answer a call automatically prior to 6 rings. If you wish to turn your phone off please be sure neither your carrier, or your voicemail will pick up the call before 6 rings. Silencing the ringer will not effect the call!

There is no greater satisfaction than helping someone in need.
